Any swimmer entered in the meet must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. When unaccompanied by a member coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement. Only swimmers, coaches, officials, and meet workers are permitted in the deck area. Spectators will not be allowed in the deck area without proof of current USA Swimming membership. The deck area is considered to be a 3-foot area from the edge of the pool and the area behind the start platforms up to the timer chairs.

Lifeguards with current Red Cross lifeguarding, first aid, and CPR/AED certification will be on duty throughout warm-ups. In addition, each coach's credentials include current Red Cross water safety skills, first aid, and CPR/AED certification. The facility's AEDs are located in the southwest corner of the natatorium under the scoreboard.

All races including the 25-yard races will begin from the starting block end of the pool and touchpads are installed at both ends. The pool depth is 12' at the start end and 3.5' at the turn end. The host will ensure the required course dimensions. Meet Marshalls will be on deck during warm-up sessions.
