Location: Asotin County Family Aquatic Center, 1603 Dustan Loop, Clarkston, WA 99403

Format: Timed Finals Friday, Saturday and Sunday all events. The meet director and meet referee reserve the right to limit entries in distance events and/or turn the meet into split session if needed (due to high number of entries). The 400 IM and 500 Free on Friday night will be swum fastest to slowest entry times. Swimmers must provide their own timers and counter for all distance events, including the 400 IM, 500 Free, and 1650 Free. The 1650 Free will be swum fastest to slowest, alternating men and woman. Based upon times and the number of entries, the Meet Director and Meet Referee may choose to limit the number of heats in the 1650 freestyle. If that were needed, coaches would be notified shortly after the entry deadline.

Course: Indoor 25-yard pool, 8 lanes, with lane lines. Depth is 4' at turn end and 10' at start end. Eight starting blocks at start end only. Colorado Timing System with 8 lane scoreboard. Separate 3 lane, therapy pool for warm-up. Swim venue includes Men's and Women's locker rooms with access onto the pool deck. Facilities are accessible for athletes and spectators with disabilities. Service animals only are allowed in the facility. The host will ensure the required course dimensions.

Rules: Current USA Swimming rules will govern. The rules and procedures of Inland Empire Swimming will also apply. The Inland Empire scratch rule, whistle start protocol and the no recall rule will be in effect. The referees of the meet will be the final authority for the conduct of the competition. Coaches must be registered with USA Swimming for 2026. Proof of coaching certification must be produced on request at any time to the meet referee. Only swimmers, coaches, and officials and meet workers will be permitted in the deck area. Spectators will not be allowed in the deck area without proof of current USA Swimming membership. The deck area is considered to be a 3 foot area from the edge of the pool, the area behind the starting blocks to the timer chairs, and the area between the competition pool and the warm up pool. Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water without the use of the backstroke ledge. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

Medical supervision will be available to all athletes participating in the meet, and to spectators in attendance. Lifeguards with current Red Cross lifeguarding, first aid, and CPR/AED certification will be on duty throughout warm-ups and competition. AEDs are located in the guard room adjacent to the therapy pool (northwest end).

Awards: In all events excluding the 1650, points will be awarded for 1st through 8th place in the following age groups for both male and female swimmers: 5 and under, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17 and over.
