Rules: Current USA Swimming rules, including the *Minor Athlete Abuse Prevention Policy (MAAPP)*, will govern this meet. All coaches on desk must complete the CDC of NFHS Concussion course. Please see Part Seven of the USA Swimming Rules and Regulations for a complete list of Open Water Rules. Swimmers must swim in their actual Age Group as determined by their age on **August 22, 2026**.

Disability Swimmers: Please contact the Meet Referee regarding any special needs. The swimmer/coach shall provide any assistance(s) and/or equipment required.

Recording Devices & Media Notice: The use of audio-visual recording devices, including cell phones, are not permitted in locker rooms, areas, or restrooms. This meet may be covered by the media, including photographs, video, webcasting and other forms of obtaining images of athletes participating in the meet. Entry into the meet is acknowledged and consent to this fact.

Drones: Racing may be recorded by a drone provided/flown by the host team, Spokane Sea Serpents. It will be the only one permitted and will be flown over the racing area only. Any other personal operation of a drone or any flying apparatus is *prohibited* over the venue (athlete/coach areas, spectator areas, open ceiling locker rooms, lake, racecourse, and other race related features) any time athletes, coaches, officials and/or spectators are present.

Eligibility: Athletes must be currently registered as year-round members with USA Swimming. All athletes 18 years or older must complete ATHLETE PROTECTION TRAINING no later than their 18th birthday (no grace period).

Swimwear: No swimmer shall be allowed to use or wear any device that may be an aid to his/her speed, endurance, or buoyancy. A maximum of two (2) caps may be used. Swimwear must conform to USA Swimming Rule 701.4. Only swimsuits with World Aquatics Open Water specifications per USA Swimming rule 701.4.3 may be worn in any USA Swimming sanctioned or approved competition.

Technical Meeting: All swimmers and coaches must attend the technical meeting prior to race day. Each coach and swimmer are responsible for all the information distributed at the meeting. Technical meeting(s) will be conducted virtually, via Zoom. Meeting information will be published the week of the meet (anticipated to be held, Wednesday, August 19, 2026, at 7:00 p.m. PDT).

Pre-Race Briefings: In addition to the technical meeting, all swimmers must be present for the Pre-Race Briefing at the race start area prior to each race. At the meeting, race officials will distribute last-minute information on weather and water conditions, emergency procedures, etc. Briefings will be held 15 minutes prior to the scheduled race start. **Positive check-in is required – once checked into the staging / briefing area, athletes will not be permitted to leave to ensure a final head count prior to entering the water.**

Course Info: The planned course map is provided. It is subject to change. There will be no feed stations for these races. An in-water start will be used to begin the races. Athletes will swim the lap section of the course counterclockwise and keep designated buoys on their left per the course map.

Athletes will finish the race in the water by touching the overhead pad in the finishing chute. Finishes will be judged by race officials. Video replay at the finish will be available. Electronic chip timing will not be available.

Anticipated conditions:

- Water temperatures will range between 70 – 77 degrees Fahrenheit
- Air temperatures will range between 65 – 90 degrees Fahrenheit

Weather Contingency: The safety of swimmers is our primary concern. Therefore, this event may be delayed or canceled due to poor conditions. The Independent Safety Monitor, Meet Referee and Meet Director will make this decision.

- Priority 1 - Later in the race day, provided it can be accommodated by the venue
- Priority 2 - Future date, depending on venue availability, water temperatures, etc.

Logistics for the 3K Knockout Event:

- The 3K Knockout events (M/W) will consist of three rounds.
 - Round 1: 1.25k lap (2 heats*)
 - Round 2: 1000m lap
 - Round 3: 500m lap
- Round 1 - all entrants will be divided amongst two heats, circle seeded by entry time based on the following order (1500 LCM, 800 LCM, 1650 SCY, 1000 SCY), and will swim one 1.25k lap.
 - The Top 10 finishers from each heat will advance to Round 2.
 - * At the discretion of the Meet Referee and the Administrative Referee, Round 1 may be consolidated into one heat based upon the number of participants.
- Round 2 - 20 athletes (Top 10 finishers from each Round 1 heat) will race one 1000m lap. Round 2 will begin approximately 10 minutes following the completion of Round 1.
 - The Top 10 finishers will advance to Round 3.
- Round 3 - 10 athletes (Top 10 finishers from Round 2) will race one 500m lap. Round 3 will begin approximately 10 minutes following the completion of Round 2.

Race Day Schedules: *RACE START TIMES ARE SUBJECT TO CHANGE.* Race check-in times, briefings, start times and exact schedule of events will be determined after the entry deadline.

Race Day Check-in:

Men's / Women's 5K races: Opens – 5:45 a.m. / Close 6:30 a.m.

Check-in for later races will open 1 hour prior to the scheduled start of the race. Athletes are encouraged to arrive 1 hour prior to their approximate race start time.

Race Safety and Emergency Information

Supervision: Races will be supervised by open water certified lifeguards, staged along the inside of the course at approximately 150m intervals. Motorized safety crafts will be on the course during races monitoring the athletes and protecting the safety of the course.

Accounting for Swimmers: Competitors will have pre-assigned race numbers. All swimmers will be marked with their race number at check-in. The number of swimmers in a race that have entered the water, will be announced to all officials and safety personnel prior to the start of each race.

Each swimmer is required to have a Handler present at the meet. The Handler's cell number will be recorded at swimmer check-in and made available to meet staff on a printed list. If a swimmer can't be found, the first call will be to the Handler. A Handler may be responsible for more than one swimmer. This Handler may be a Coach but does not have to be.

Each swimmer will be assigned a unique number and will receive a "ticket", that will include the number matching their body marking, and will need to be presented for water entry for their race.

Communication: Meet officials will have direct radio communication with each other, the Safety Monitor, and the Meet Director. If the lifeguards on the course do not have radio communication, non-verbal communication will be used to indicate a swimmer in distress or an emergency. The non-verbal communication will be lifting and waving their paddle in the air while issuing a series of short whistle blasts.

EMTs & Hospital: Ambulance services will be on-site and will be responsible for calling additional EMS/ Paramedic personnel if required. Persons with an emergency will be transported to:

Kootenai Health

2003 Kootenai Health Way

Coeur d'Alene, ID 83814

(208) 625-4000

Medical Equipment: First aid will be available near the start/finish line. Lifeguards will have basic first aid on hand.

Thermal Safety: Tents for shade will be set up in the athlete hospitality areas. Bottles of water post-race will be provided, but athletes are strongly encouraged to provide their own hydration.

The event will be in compliance with USA Swimming Rules. See Part Seven of the USA Swimming Rulebook, under Open Water, for more information or topics not addressed in this meet form.

Safe Sport: The USA Swimming Safe Sport program is USA Swimming's comprehensive abuse prevention program dedicated to creating a healthy and positive environment free from abuse for all its members. Components of the program include but are not limited to, providing education and training, enforcing policies (such as the Minor Athlete Abuse Prevention Policy), rules and best practice guidelines, promoting healthy boundaries, and mandatory reporting of violations.

The Minor Athlete Abuse Prevention Policy (www.usaswimming.org/maapp) prohibits Adult Participants (as defined) from having one-on-one interactions with minor athletes who are not within an observable and interruptible distance from another adult participant. Adult Participants are required to abide by this policy in full during this meet.

Pursuant to USA Swimming Rules and Regulations and federal law, it is every member's responsibility to immediately (i.e., within 24 hours) report any incident of child abuse, including physical or sexual abuse, to law enforcement and the U.S. Center for SafeSport. Reporting must occur when an individual has firsthand knowledge of misconduct or where specific and credible information has been received from a victim or knowledgeable third party. A report to the U.S. Center for SafeSport may be made via telephone at 833-5US-SAFE (833-587-7233) or online at <http://www.uscenterforsafesport.org/report-a-concern>. Various state laws may also require reporting to law enforcement or to a designated child protection agency.

For information on how to report other alleged violations, including without limitation, the USA Swimming Code of Conduct and the Minor Athlete Abuse Prevention Policy, please visit <http://www.usaswimming.org/report>.

All athletes age 18 and older must complete Athlete Protection Training in order to be a USA Swimming registered member in good standing. Any athlete who turns 18 on or before the first day of the meet, who has not completed Athlete Protection Training by the first day of competition, will be prohibited from participating in the competition until such time as all membership requirements are completed. Times achieved by an athlete who turns age 18 on or before the start of the meet, who competes in this USA Swimming-sanctioned event without completing this membership requirement, will NOT count for qualification or recognition.

Course Map

The course area will be open for training on Friday, August 21nd from 4:00 p.m. to 6:00 p.m. There will be a limited number of kayaks available for check-out during this time. Swim Buoys will be required while on the course as it is outside the public swim area, so please plan on bringing one along for each swimmer. We will have some available if you happen to forget one, but the number will be limited.
